

# MTH 125 – Dual Enrollment Calculus Registration Steps

Southern Union State Community College

*If taking the course in Fall 2025, complete steps during the summer.  
If taking the course in Spring 2026, complete steps during November/December.*

## Registration / Application:

Navigate to SUSCC's website. Find "**Programs**" at the top and choose "[Dual Enrollment](#)" from the drop-down menu.

## **If you are a first-time DE student with Southern Union –**

Choose "**FIRST TIME Student Registration Steps.**" Follow the steps as written.

Step 1. Apply for general admission to SUSCC ([Instructions for applying to SUSCC](#))

Upon acceptance, you should receive an e-mail with your SUSCC "**A**"- **number**.

Step 2. After receiving the A-number, complete the Dual Enrollment Registration through their portal. ([Instructions for completing the Dual Enrollment Registration](#)) You will need the following:

- a. Your "A" number.
- b. Copies of your ACT score showing *at least a 20* on the mathematics portion **OR** a copy of your qualifying score on the SUSCC Accuplacer Exam.
- c. Statement of Eligibility Form signed by your AHS Counselor. ([Statement of Eligibility Form](#))

Step 3. A representative from Southern Union will actually register you for classes. You do not need to worry about Step 3.

Step 4. Apply for the Dual Enrollment STEM Scholarship.

## **If you are a returning DE student with Southern Union –**

Choose “**RETURNING Student Registration Steps.**” Follow the steps as written.

Step 1. Complete the Dual Enrollment Registration through their portal. ([Instructions for completing the Dual Enrollment Registration](#)) You will need the following:

- a. Your “A” number.
- b. Copies of your ACT score showing *at least a 20* on the mathematics portion **OR** a copy of your qualifying score on the SUSCC Accuplacer Exam.
- c. Statement of Eligibility Form signed by your AHS Counselor. ([Statement of Eligibility Form](#))

Step 2. A representative from Southern Union will actually register you for classes. You do not need to worry about Step 3.

Step 3. Apply for the Dual Enrollment STEM Scholarship.

## **Additional Notes –**

### ACT Scores:

If you upload a screen shot of your score from the ACT website, it needs to show BOTH your first and last name. To show your last name, click the drop-down menu in the upper right corner of the screen showing your score.

### Accuplacer Exam:

Students may take the Accuplacer Exam on SUSCC's campus twice in one calendar year, and will receive scores in two categories - Quantitative Reasoning, Algebra, and Statistics (QAS) and Advanced Algebra and Functions (AAF). Students must earn a **QAS score between 267 – 300** and an **AAF score between 271 – 300** to be eligible for Calculus 1.

### Successful Completion of MTH 115:

If you successfully completed MTH 115 (Precalculus Algebra & Trig), you are also eligible for MTH 125.

### Statement of Eligibility Form:

When the form asks for course name, you must be specific and write “**MTH 125**”, along with the AHS name for the course of “**Calculus 1.**” This form must be signed by both you AND your counselor.

If you have any questions, please contact:

Mrs. K. Williams at [kcwilliams@auburnschools.org](mailto:kcwilliams@auburnschools.org)

or

Your AHS Counselor

If you have any questions related to the Dual Enrollment registration process specifically, you should contact Southern Union. The Dual Enrollment coordinator is Mr. Anthony Caldwell.
