

2025-2026 AJHS Choirs Rosters

Thank you and great job to all who auditioned for choir for next school year! I am very impressed by the talent and work ethic being added to all of our groups. Our program continues to grow and all choirs at AJHS are filled to the brim next year. The separate boys and girls concert choirs will be combined next year, making our 3 choirs at AJHS:

Adrenaline Mixed Show Choir (9th grade girls and 8th & 9th grade boys), Audacity Girls Show Choir (8th & 9th grade girls), and Anthem Mixed Concert Choir (8th & 9th grade boys & girls).

Determining who is in which choir is a delicate process and I have looked over vocals and choreography auditions and scoresheets countless times to make sure each choir is balanced and set up for success. I believe these choir placements are the best for the program, for each ensemble, and each individual student as we all grow to become better singers and performers together. Thank you for your hard work on auditions and for your understanding that these groups are set up to do what's best for everyone's individual and collective success.

I cannot wait for next year!

Mr. Holt

AJHS Choir Director
